a little child of Mr and Mrs. John Tallman,  
of near Cass, died November 20, 1911 of Croup. The  
remains were laid in the Cassel burying ground.

Go to thy rest fair child!  
Go to thy dreamless bed,  
Gently, and meek, and mild,  
With blessings on thy head;  
Fresh roses in thy hand,  
But on thy pillows laid,  
Haste from this blighting land,  
Where flowers so quickly fade.

Before thy heart could learn  
In waywardness to stray;  
Before thy feet could turn  
The dark and downward way;  
Ere sin could wound thy breast,  
Or sorrow wake the tear;  
Rise to thy home of rest  
In your celestial sphere.

Died Elbert Tallman, at the home of his father, John Tallman at Cass, April 9, 1926. His age was 24 years 11 months and 27 days. The Cause of <sup>his</sup> death was tuberculosis. Burial at the Wanless graveyard on Sunday afternoon in the ~~presence~~ <sup>presence</sup> of a large crowd of people. The services were conducted by Rev. L. S. Shires.

#### In Remembrance

Elbert C. Tallman, son of Mr and Mrs. John Tallman was born April 13, 1901 and died April 9, 1926 at his home near Cass. His age was 24 years 11 months and 27 days. He died after a long illness of tuberculosis. The funeral services were conducted at his home on Sunday morning April 11 by Rev. L. S. Shires and he was laid to rest in the Wanless cemetery.

Elbert was a kind hearted and good natured young man and had many friends both far and wide. He was liked by all who knew him. He will be greatly missed by all and has left many friends to mourn his death. Before his death he made profession of religion and expressed willingness to meet his Saviour. It was one of his desires that his friends meet him above. It is hard to give up our loved one, but God knows best, and death is something we cannot undo. Elbert was prepared and we should rejoice and be happy knowing he is

saved. Could we but push aside the mantle that unfolds each human heart we would be kinder, but sometimes it often happens that we are contented to wait with our little acts of love and kindness until it is too late. For the little wreath of roses that we might so sweetly send, cannot be seen or treasured by our cold and lifeless friend.

\* He leaves to mourn their loss a host of friends, his parents, 4 sisters and 4 brothers. A sister preceded him to his grave about 6 months ago.

Navy blue dress with pink and white accessories, and a corsage of pink rosebuds.

Mrs. Galford, mother of the groom, wore a dress of light blue with white accessories and a corsage of pink rosebuds.

Immediately following the wedding a reception was held in the basement room of the church. The bridal party greeted the guests informally, a white three-tiered wedding cake, topped with a miniature bride and groom, centered a white covered table. Pink and white rosebuds completed the table decorations.

Mrs. Virginia Erwin cut and served the wedding cake, assisted by Miss Mary Ann Cassell, Mrs. L. W. Hoover of Detroit, Michigan, presided at the punch bowl.

The bride was graduated in 1953 from Green Bend High School where she was a participant in many school activities. For the past years she has been employed in Akron, Ohio.

Mr. Galford was graduated in the same class as his bride and at present is a member of the armed forces. After a short wedding trip, Mr and Mrs. Galford will reside in Alabama where he is stationed.

Annual Golden Horseshoe Day, sponsored by the West Virginia Department of Education, was held May 6 at the State Capitol in Charleston. It honored 221 eighth-grade students from every county in the state.

At least two students from each county and one from the Schools for the Deaf and the Blind in Romney were dubbed Knights and Ladies of the Golden Horseshoe at the all-day ceremony.

Pendleton County was represented by Stephen A. Cassell of Brandywine Elementary School and Jody W. Whiteside of Franklin Elementary School.

The students have scored the highest on a test about West Virginia prepared by the State Department of Education. The two highest scorers in each county were chosen, while the remaining 110 students were the other highest scorers in the state, prorated by county according to the county's ratio to the number of eighth-grade students in the state.

Letter

Mr. Mcneel:

I will be moving to Melrose, Massachusetts, in the early spring. I am not going to be able to take all the genealogy I have been working on in Pocahontas County since 1957.

James Wooddell of Green Bank, is buying everything I have and will continue to work on it, and some of my books that he has will go to the Green Bank Library in memory of my late husband.

We came to Pocahontas every year for two weeks and spent a lot of it doing research at the court house and in cemeteries copying grave stones and visiting relatives of Paul's.

I made many friends with those who were interested in what I was doing. I will miss working on the county but am glad someone is interested in going on with my work.

Dorothy M. Sutton (Mrs. Paul)

Paul<sup>E</sup> Sutton was youngest son of Rev. William Wallace & Sadie Florence Erwin Sutton both of whom were born and reared in Pocahontas Co

It is our intention to put all my findings into print when completed at a minimal fee.

She is getting Sutton, Erwin - Erwin & related lines - complete names including middle & maiden names, complete dates & places of birth, marriage, death & burial. Naming the cemetery & place where it is located, also include any children or infants who may have died in infancy or young.

The Pocahontas Times 2/9/1933

Willie Cassell was down from Back Alleghany last Saturday. He told me that the loss of sheep from bears from the Cassell farm down through the years, directly and indirectly would run into the thousands of dollars, if there was any way to compute the loss. The direct loss was in sheep actually killed by bears; the indirect loss was in not keeping as many sheep as the farm would graze on account of the risk to run from bears killing them. Not until recent years, once the Jacy brothers have gone into bear hunting as a profession, has it been safe for the Cassells to graze sheep on their lands west of the Back Mountain Road. The big Chest wilderness is a bear haven, but in the last few years the Back Alleghany people have been able by systematically hunting them down, the sheep killing bears have not had long careers.
